

How do leaves travel in Fall?

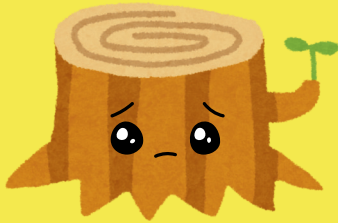

By autumn-mobile!

What did the leaf say to Autumn?

"I'm falling for you!"

Why do trees hate tests?

Because they get stumped!

What's the cutest season?

Aw-tumn!

Why do birds fly south in Autumn?

Because it's faster than walking!

Why do squirrels go crazy in Fall?

Because they get all the nuts!

Why do trees love Autumn?

They get to show their true colors!

Why are Autumn trees so smart?

Because they always branch out!
