

MAGIC SWEET TREAT

ELF ON THE SHELF

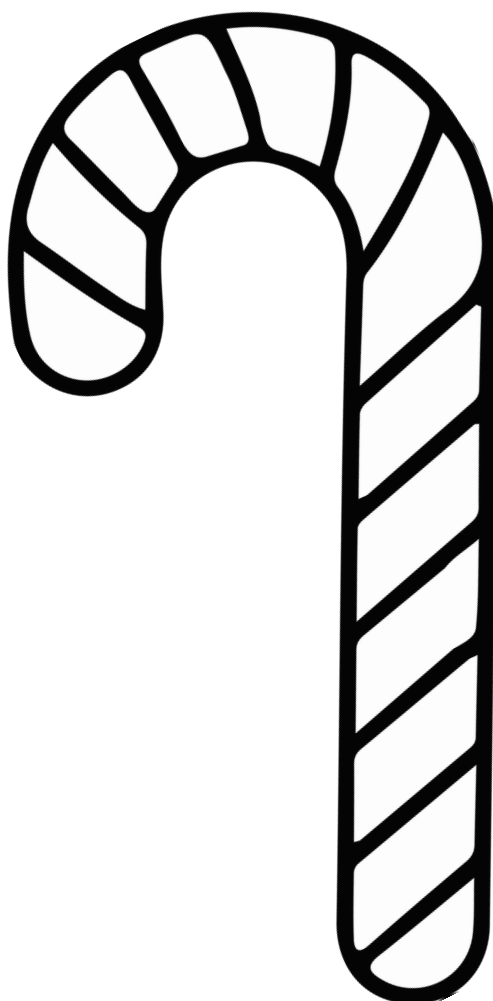

Color a Candy Cane For A Me To Make Tonight!

Have some fun coloring this candy cane as as you can, because tonight... something magical will happen!

When you leave your finished candy cane picture out on a plate,
I'll whisk it away to the North Pole workshop tonight – and with a sprinkle of elf magic & peppermint dust,
return it as a real candy cane treat in the morning!

Psst...

Us elves aren't perfect candy makers... sometimes our magic makes the treat turn out a little different!
It might not be the exact same size or color as your beautiful drawing –
but that's just how North Pole Peppermint Magic works.

No two magically-made candy canes ever look exactly the same – and that's part of the fun!
So grab your crayons or markers, leave your picture out tonight to see what I make while you sleep.
Dream Sweet hehe!
